

MAGNA LIFE SETTLEMENTS

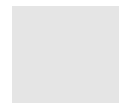

STATES WHERE MAGNA IS LICENSED

Magna is licensed to do business in these states

Magna is expected to be licensed during this calendar year

States that are not requiring licenses

→ **Magna** is licensed in **38** out of 42 regulated states, and is actively doing business in **46** states. The company takes regulation very seriously and plans to be licensed in all jurisdictions requiring licenses by the end of 2016.

***5 states require insurance carriers to disclose life settlement option to policy holders considering lapsing/surrendering.**

***CA and NH require carriers to recommend that policy holders consult a licensed insurance or financial advisor if considering lapsing or surrendering†**
